BJN
British Journal of Nursing

Index/volume 21

January 2012 to December 2012

BJN/BSN = BJN/BSN Supplement; IVTS = IV Therapy Supplement; OS - Oncology Supplement; SCS = Stoma Care Supplement; TVS = Tissue Viability Supplement; US = Urology Supplement

A

Abortion
and sex selection: a case for legal re-evaluation? *Legal*. JV McHale 308
whose choice is it anyway? *Mel's message*. M Hornett 1185
Absorption and adherence: the best of both worlds. *Exudate management*. B Baldursson .....11(BJN/BSN March)
Accountability, exploring advanced nursing practice: past, present and future. *Professional issues*. N Duke 1026
Acerini C, Albanese A, Casey A, Denvir l, Jones J, Mathew V, Musson P and **Sparrow S.** Initiating growth hormone therapy for children and adolescents. *Children and adolescents* 1091
Achilles tendinopathy: psychology in sports injury rehabilitation. *Olympics*. M Concannon and B Pringle 484
Acrylate skin protection cream: liquid-film forming for the treatment of anal pruritus. *Audit*. N Tomi et al 98
Actinic keratoses: management of patients with. *Skin cancer prevention*. A Hepplewhite .....27(OS May)
Acton C. Reducing avoidable pressure ulcers: an online clinical ordering system. *Product focus* .....4(TVS Nov)
Acute hospitals: swings and roundabouts in the quality of care. *Patient safety*. J Tingle 1230
Acute leukaemia: making sense of a complex blood cancer. *Clinical focus*. T Meenaghan et al 76
Acutely ill patients
managing adults with sickle cell disease. *Clinical focus*. M Brown 90
role of the nurse practitioner within the Hospital at Night service. *Overnight care*. S Clark and F Paul 1132
Adams G. NHS cuts and women's rights. *Editorial* 5
Adaptation programme: NMC's adaptation framework for European nurses. *Healthcare policy*. A Glasper 124
Adolescents
ethical challenges of conducting health research in UK school setting. *Research ethics*. L Milnes and S Kendal 294
initiating growth hormone therapy. *Children and adolescents*. C Acerini et al 1091
nurses' role in managing alcohol misuse among. *Alcohol misuse*. C Kiernan et al 474
professional boundaries when working with. *Cancer in adolescence*. J Davies and M Willsher .....23(OS Sept)
a strategy to improve the health of children and young people. *Healthcare policy*. A Glasper 1040
student perceptions of sudden cardiac arrest. *Research*. A McDonough et al 523
transition from child and adolescent to adult mental health services. *Mental health*. A McGrandles and K McMahon 1031
Adult literacy and implications for practice in medicines non-adherence. *Medication*. D Bowskill and L Garner 1156
Adults posing as children and gender dysmorphism: a case study. *Case study*. L Gormley-Fleming and A Campbell 426
Advanced nursing practice: past, present and future. *Professional issues*. N Duke 1026
Advanced practitioners: advances in stoma care and specialist nursing. *Comment*. J Williams 580
Advocacy
caring for vulnerable ostomists: learning disabilities and stoma care. *Clinical*. M Parker .....4(SCS Sept)
strengthening the foundation of caring. *Editorial*. L Laskowski-Jones 955
Ageing, venepuncture and cannulation: considering the ageing vein. *Cannulation*. J Gabriel .....22(IVTS Jan)
Ageing population: is it time for an international convention of rights? *Legal*. JV McHale 372
Ah-See K *see* **Buchan S et al**
Airey J
Attrition rates: the student perspective. *Student column* 310
How to manage a school-work-life balance. *Student column* .. 115
Negotiating the unofficial hierarchy of placements. *Student column* 500
Patients in their homes: seeing the big picture. *Student column* 881
The rollercoaster of life as a student nurse. *Student column* 1170
Albanese A *see* **Acerini C et al**
Alcohol abuse
can nurses stem the rising tide? *Healthcare policy*. A Glasper ... 312
health and psychosocial burden of. *Comment*. S Welton and R Higginson 212
nurses' role in managing among adolescents. *Alcohol misuse*. C Kiernan et al 474
Aldred V *see* **Morris-Thompson T et al**
Alexander J *see* **Clayton S et al**
Alginates, peristomal sore skin: assessing the effect of an alginate wafer. *Product focus*. L Taylor .....41(SCS Sept)
Ali F *see* **Barolia R et al**
Alternative medicine use by nurses. *Complementary nursing*. S Buchan et al 672
Al-Yateem N. Child to adult: transitional care for young adults with cystic fibrosis. *Research* 850
Amputation: prevention of a bilateral amputation in a non-concordant patient. *Patient concordance*. J King ... 29(TVS June)
Anaesthesia: parents' experiences of their child's first anaesthetic in day surgery. *Research*. L Andersson et al 1204
Anal pruritus: liquid-film forming acrylate for the treatment of. *Audit*. N Tomi et al 98
Andersen BD *see* **Martins L et al**
Anderson I. How can we maximize the use of compression hosiery? *Comment* 144
Andersson L, Johansson I and **Österberg SA.** Parents' experiences of their child's first anaesthetic in day surgery. *Research* 1204
Angioplasty, quality of life after percutaneous coronary intervention: part 2. *Critical care*. S Cassar and DR Baldacchino 1125
Anonymized NHS data, using without consent: a step too far? *Legal*. JV McHale 54
Antimicrobial dressings
haemostatic IV dressing, GuardIVa: Part 2. *Product review*. PD Donnellan et al .....16(IVTS Jan)
PHMB: an effective antimicrobial in wound bioburden management. *Infection*. M Butcher .....16(TVS June)
Antimicrobial therapy
management for children with epidermolysis bullosa. *Infection management*. J Denyer .....8(BJN/BSN March)
outpatient parenteral. *Editorial*. J Kayley .....3(IVTS Jan)
Anxiety, pre-operative: role of anxiolytic premedication in reducing. *Medication management*. JK Carroll et al 479
Any Qualified Provider (AQP) and its role in bladder and bowel cancer. *Comment*. M Wells 400
Appearance-related distress across clinical conditions. *Mental health*. A Bessell et al 1138
Approved mental health professionals, Mental Health Act: exploring the role of nurses. *Mental health*. JM Laing 234
Arber S *see* **Eyers I et al**
Arthritis, PROMs: a novel approach to self-management. *Rheumatology*. D Palmer and Y El Miedany 601
Aseptic non-touch technique (ANTT): quality assurance in blood culture collection. *Comment*. S Rowley 158
Aseptic Surgery Forum: what's next? *Interview*. S Oriola 171
Aslet P. Professional standards within urology nursing. *Editorial* .....3(US Oct)
Assistant practitioners: lessons learned from licensed practical nurses. *Professional issues*. K Whittingham 1160
Assisted dying: reforming the law. *Legal*. JV McHale 126
Assisted suicide: a right to professionally-aided death. *Legal*. JV McHale 250
Asthma: an algorithm for the use of intravenous salbutamol in children. *Innovation*. S Clayton et al .....30(IVTS April)
Attrition rates
collectively tackling student attrition. *MacCallum's column*. A MacCallum 205
the student perspective. *Student column*. J Airey 310
Aucott B *see* **Hull D et al**
Audit
National Diabetes Inpatient Audit: implications. *Patient safety*. J Tingle 690
ongoing clinical audit: proactive, not reactive. *Editorial*. W Osborne and J Williams ..... 3(SCS March)
retrospective comparative of two peripheral IV securement dressings. *Securement dressings*. A Jackson .....10(IVTS Jan)
Automatic external defibrillator (AED), perceptions of sudden cardiac arrest. *Research*. A McDonough et al 523
Aziz A-M
Mattress cleanliness: the role of monitoring and maintenance. *Clinical focus* 152
Preventing needlestick injuries. *Needlestick*..... 4(IVTS Nov)
Reducing needlestick injuries: a review of a community service. *Service review* .....4(IVTS April)

B

Bailey C, Ball J, Chapman J and **Kingston K.** Sporting for people with a learning disability. *Paralympics*..... 978
